Dear MATH1041 student,

Please find attached a text file with your data for the 2022 Term 2 MATH1041 Assignment along with a PDF file with the assignment itself.

Further details of the assignment can be found on Moodle in the "Assessment" section under the "Statistics assignment" heading.

The assignment is due on Friday 19th July, 2022 (Week 9) before 11:59 pm (Sydney time, AEST).

If you have questions about the assignment, please post a question in the dedicated assignment forum on Moodle.

Kind regards,

Dr Laure Helme-Guizon
